THE NATIONAL TRANSITION COUNCIL - LIBYA

فريق شؤون العاصمة

TRIPOLI TASKFORCE

Tripoli Taskforce - Background

- Regime is expected to fall anytime now and the critical question is **“What happens in the next few minutes after his fall?”**
- We must have a clear and systematic plan so that there is no gap.
- A gap could lead to chaos, looting and a power vacuum.
- Key Activities to restoring normality have been identified and Teams have been created to Plan and Execute those Activities

Tripoli Taskforce - Objective

- Restore normality through securing vital functions and providing key services:

Security – Support Vital Functions by maintaining law and order

Main Utilities – maintaining electricity/water supply for the residents – Providing Fuel for Power Generation, Gasoline for Civil Population and Diesel for Hospital Generators

Securing Hospitals and ensuring safe and reliable operation to treat injured – Provide food and medicines and ensure efficient distribution

Asset Protection - Securing Key Government buildings, Airports and Ports and restarting vital municipal functions

Restore Telecommunication sites to ensure Communication Services are operational

Securing and Develop Media Channels to ensure Messaging to provide reassurance to the population

Data Center Infrastructure

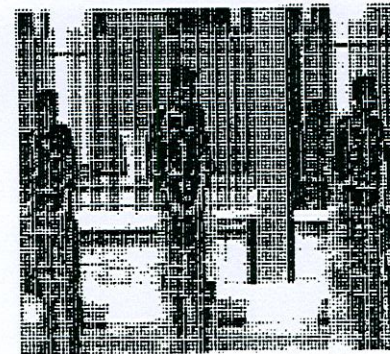

Transitional Justice

Tripoli Taskforce – Security Team

Tripoli Guards - Description

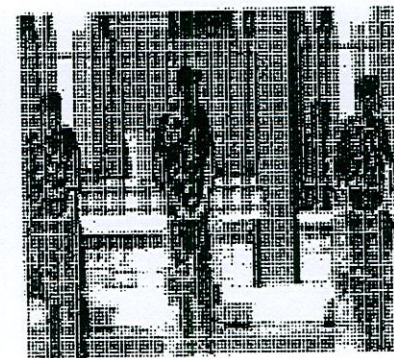

- A Security Force made up of 10,000-15,000 guards
- Objective will be to restore normalization in Tripoli
- Tripoli Guards will be under the control of the president of the NTC to ensure that it does not overstep its remit.

Tripoli Taskforce - Security

Scope of Work for Tripoli Guards

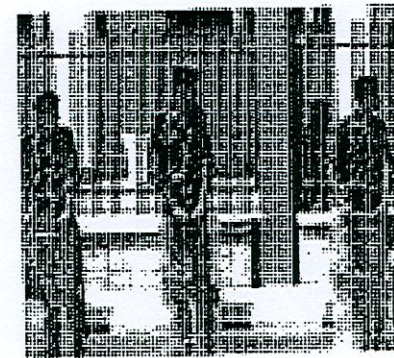

- Maintain Law and Order immediately after fall of Regime
- Protect and Secure Strategically important institutions
- Enforce Ceasefire
- Identify and neutralize potential spoilers
- Resist destabilizing influences, support the normalization in life of the populace and uphold the vision of the NTC.
- Protect Key Government Officials
- Establish roadblocks and checkpoints
- Ensure humanitarian aid access to population
- Perform civilian police functions
- Supervise temporary prisons
- Control Crowds and Prevent Looting
- Protect valuable Archaeological Sites (Lebda, Sabratha)
- Secure Military depots and ammunition dumps
- Locate and Safeguard key witnesses, documents, and suspects
- Intelligence Activities

Tripoli Taskforce - Security

Security Team – Establishment of Tripoli Guards

- Create strong structure pre-regime fall and provide training in Nafusa Mountains, Benghazi and Misrata
- Current Security Forces in Tripoli can be divided into 3 Categories
 - a) Effective but Criminal
 - b) Effective and Not Criminal
 - c) Not Effective and Not Criminal
- Group (a) cannot be trusted and will therefore not play a role in the formation of the Tripoli Guards
- Group (b) has already been courted and vetting is being done at the moment. So far, 700-800 have volunteered to be part of the Tripoli Guards – List of Names already received. Security team is in touch with key leadership. This group will form the back-bone
- Group (c) is well-trained and can support the other groups in maintaining law and order – Total Number ~5,000

Security Team – Establishment of Tripoli Guards

- Group (c) will consist of:
 - Oil Facility/Electricity Guards (حرس المنشآت)
 - Agriculture Police (الشرطة الزراعية)
 - Civil Guards (الحرس البلدي)
 - Civil Defense (الدفاع المدني)
- Sections of Nafusa Mountain and Zentan Freedom Fighters to be integrated into Tripoli Guard set-up once Tripoli is liberated
